For this purpose, ‘leave’ shall include vacation.

7-C. (1) In the case of a Judge who dies while in service, the members of his family shall be entitled to the following expenses for travel, by the shortest route, from the headquarters of the Judge at the time of his death, to his permanent residence in his home State, provided that such journey is completed within six months from the date of death of the Judge:—

- (i) actual first class fare, without any incidentals, for every member of the family;
- (ii) actual cost of transportation of personal effects upto 2240 kilograms by goods train or steamer or both;

- (i) an allowance of 32 paise per kilometer for one member of the family, a further allowance of 32 paise per kilometer if two other members of the family travel, and a further 32 paise per kilometer if more than two other members of the family travel;
- (ii) actual cost of transportation of personal effects limited to the expenditure which would be incurred in the transportation of 2240 kilograms by goods train and the expenditure incurred in loading and unloading such personal effects;

(2) The expenses specified in sub-rule (1) shall also be admissible for travel by a member of the family of the deceased Judge from the headquarters of the Judge at the time of his death to a place other than his permanent residence in his home State or from such other place, as the member happens to be at the time of the Judge's death, to a place other than the Judge's permanent residence, in his home State, provided that the journey is completed within six months from the date of death of the Judge and the total expenses claimed for such journey do not exceed the amount which would have been admissible had such member travelled from the headquarters of the Judge to his permanent residence in his home State.

(3) Nothing in this rule shall apply in the case of a Judge who dies while on leave preparatory to retirement.

Explanation.—In this rule,

"members of a Judge's family" means his widow, his children and his step-children who were normally residing with him and were wholly dependent on him at the time of his death.
